Now that Reverend Janice has moved on, I am very aware that the provision of **SUNDAY SERVICES** is of great concern to a number of you. Our three PCCs briefly discussed this last month, and I will address it more fully at next week's APCMs. There are a number of options up for consideration, and many voices adding to the conversation! Any changes will have to be made in consultation with *all three PCCs*. In the meantime, I will aim to provide as many services at the current times as possible, and after my holiday in May, perhaps look towards implementing something new if that is what all three churches agree. Please bear with us as we prayerfully discern the right way forward. In the meantime, please look at the Benefice Website [www.thewealdwaychurches.co.uk](http://www.thewealdwaychurches.co.uk) for the very latest service times and locations.
