EAST HOATHLY'S ORGAN: East Hoathly PCC have voted to 'retire' the Bevington pipe organ until such time as funds are found to restore it. In the meantime, we have, after careful research, decided to commission a bespoke Wyvern Digital Organ for the much more realistic sum of £15k. This will give us an exceptional instrument, custom made and voiced for East Hoathly Church.

The Organ is now on order, and we are hoping that it will be in place for Remembrance Sunday, but if this is not possible, Wyvern Organs will loan us an instrument free of charge. I'm completely humbled by a very generous donation from Framfield PCC towards a third of the total cost, and I know that
